PROMOTING A
safe, healthy lifestyle

FOR BETH SHOLOM VILLAGE
AND THE LOCAL COMMUNITY

The Rose Frances & Bernard Glasser
Health & Wellness Center

THE FACTS

OUR MISSION

The mission of **THE ROSE FRANCES & BERNARD GLASSER HEALTH & WELLNESS CENTER** is to promote a safe and healthy lifestyle for all residents, employees and the local community. The Center is staffed by a Nurse Practitioner, who can act as your primary care provider. The Center can treat any chronic illness as well as acute illnesses.

The Center will evaluate your health status and provide you with preventative recommendations to improve or maintain your health. They will refer you to specialists and order diagnostic testing as necessary.

WHY USE THE CENTER?

- Convenience and exceptional health care
- No need to drive around town
- The Center is located inside the main building past the reception area and to your first right
- We offer services Monday thru Friday 8:30 a.m. - 4:30 p.m.
- Same day appointments are available in most cases

THE CENTER PROVIDES THE FOLLOWING SERVICES:

- Blood pressure/ Weight checks
- Immunizations
- Joint injections
- Coumadin Checks
- Ear Cleaning
- EKG's
- Routine or Acute lab work
- Treatment of chronic illness
- Treatment of acute illness
- Evaluation of injuries
- Wound care
- Assistance with medication management
- In office diagnostics (i.e. Xrays, Ultrasounds)

WHAT ARE NURSE PRACTITIONERS?

Nurse Practitioners are professionals who have Master's degrees and clinical training to provide primary care. Nurse Practitioners and Physician's Assistants work in collaboration with physicians to provide you with outstanding care.

They are able to:

- Obtain medical histories and perform physical exams.
- Diagnose and treat acute health care incidences such as infections and injuries
- Diagnose, treat and monitor chronic diseases such as diabetes, heart disease and COPD.
- Prescribe medications
